Vol XXVII Issue I

The Official Newsletter of the Chandler Commons Property Owners Association

January 2007

Letter from the President

The annual Homeowners' Meeting will be February 19th, 2007 at 7 pm in Strongsville City Council chambers. We plan on covering the year past, the future needs and desires, and any issues homeowners may wish to discuss. Please plan on joining us. As always, we have invited our Mayor, Mr. Perciak, as well a few councilmen with whom you can chat.

I would like to thank all the homeowners who participate in lighting their houses with Christmas lights and decorations. This is truly one of the most beautiful developments in the city during the Holidays. I hope you are all as proud as I am of living here. We have received e-mails and telephone calls from people outside of Strongsville asking for directions to bring their kids to view our development. It's nice to be a part of a community that gives so much joy to others.

Thank you so much to all homeowners who complied with our tree trimming request.

The sidewalks are much clearer, and many, many of the low hanging branches have been removed. It is

a real pleasure to walk about the neighborhood without getting scratched.

As a rule of thumb, we ask all homeowners whose trees overhang the sidewalk to trim the branches to a MINIMUM of 6—7 feet high. This ensures no harm to those who walk, jog or bike ride around our community.

A gentle reminder that there is still an element in our neighborhood that is breaking into cars, stealing purses and entering garages at night. Please lock your cars, remove any valuables, and keep your garage doors closed. Also, pole lamps and porch lights are the best and first line of security against thieves in the night. Be sure your pole light is working, and if its not, please turn your porch lights on at night until you can repair it.

All your neighbors appreciate the common effort of security in our development.

See you February19th.

New Chandler Commons Phone Directory Coming Soon

We are in the process of compiling an updated phone directory which will be distributed to all residents. We plan to distribute it by spring or summer of 2007. Please update any of your personal information (e.g. phone number, email address etc.) on the attached data sheet on the

2007 Association dues invoice. Additionally, please update names and ages of children for pool tag purposes as well as indicating any interests they may have in babysitting, yard work, etc. if you would like this to be included in the directory.

Volunteer request

We are always looking for residents who are willing to donate some of their time and skills to help with minor maintenance around the development (painting, fixing signs, fixing picnic tables, cleaning debris from the common areas etc.). If you are willing to help out in the spring of 2007, please contact Bob Brink at 846-948.

New Contact for Scheduling the Pavilion

Please note a change of contact person for scheduling the pavilion. Jason Hughes has taken this over from Paul Maskow.

Any Association member may reserve the pavilion for use of a private party or picnic by calling Jason Hughes @ 572-4246. The earlier you call, the better your chances of getting the preferred date. If you get voice mail, leave a message and I will get back to you ASAP with date availability. This still preserves your date unless it has already been taken.

If the date you want is available, you will need to provide me with your address, phone number and a \$50 check made out to Chandler Commons. This check is only needed in the event you fail to clean up after your party. If you clean up (all trash, all decorations, sweep the pavilion, and take your

trash home, as we do not have garbage pickup service) I will shred your check. There is a large garbage can behind the pool building which you may use. Please use a bag, and empty and return the can when finished. You may reserve the pavilion for your use all day. We ask that you be courteous to your neighbors who live near the pavilion after dark concerning noise and lights, as we have a lot of young children who live nearby.

Note that the pool is open from 1--9 PM until the middle of August, when we close at 8 PM because of darkness. Any guest passes for the pool may be obtained from Dan Hoag at 572-1231, or let me know the head count and I will have the life guards hold them for you. Guest passes are \$2.00 each. The washroom facilities open two weeks before the pool (about the last week of May) and are available to October 31.
